The Department of Computer Science at Texas Southern Universities is seeking to fill two faculty positions at level of Assistant Professor (tenure track) starting from Fall of 2012.

**Texas Southern University** ([www.tsu.edu](http://www.tsu.edu)) was founded in 1927 and is now a comprehensive university, offering undergraduate and graduate programs and professional studies. TSU is a four year special purpose institution of higher education dedicated to providing quality instruction, scholarly research, and socially responsible public service. Currently, it has more than 9,500 students and 1,500 faculty and staff in 11 colleges and schools.

**The CS Department** ([http://itscience.tsu.edu/](http://itscience.tsu.edu/)) offers BS degree in Computer Science with Minor, BS degree in Computer Science with Computer Networks Concentration, MS degree in Computer Science, and Ph.D. degree in Environmental Toxicology affiliated with the Department of Environment Science and Technology. Presently, the department has 11 fulltime faculty members, a student enrollment of about 150 undergraduate students with CS as Majors and 20 graduate students, with significant opportunities for enhancement.

**Qualifications:** We are interested in applicants from any of the following areas: Networking, Cyber-Physical Systems, Information Security, Operating Systems, and Theory of Computing etc. Preference is given to candidates whose research efforts lie in applied domains with relevance to computer systems software. Candidates should have a Ph.D. in Computer Science or a related discipline from an accredited institution, a record of significant research achievement and publication, a coherent research and teaching plan showing the potential to secure external research funding, build a research program in their area of specialty, and contribute to the department's both graduate and undergraduate teaching mission, and sensitivity to issues of diversity in the campus community.

**Application:** Access [https://jobs.tsu.edu/](https://jobs.tsu.edu/) for application information. Application should include letter of application, detailed curriculum vita, three letters of recommendation, copies of transcripts, copies of three published articles, a statement of research interests, a statement of teaching interest, and names and contact information of five professional references. Review of the applications will begin February 1st of 2012 and applications will be accepted until position is filled.

Any questions regarding the application process should be directed to Ms. Marie A, Henry, HR Employment Specialist, at henry_ma@tsu.edu or 713-313-7225. Any questions regarding the position and programs in the Department of Computer Science should be directed to Dr. Wei Wayne Li, Professor and Interim Chair, at liw@tsu.edu or 713-313-1871.
